Location Lupon-Lupon, Hijo, Maco, Davao de Oro

Email: arwenfabila23@gmail.com

## PROFESSIONAL SUMMARY

A dependable and organized farmhand with expertise in daily farm operations and a solid grasp of animal welfare principles. I am seeking a Dairy Farm Worker position to apply my skills in milking, feeding, and general farm maintenance, contributing to a productive and high-quality dairy farm. Additionally, I am a highly motivated and results-oriented Amazon Account Specialist with a proven history of optimizing e-commerce operations for UK & US wholesale and retail arbitrage accounts. I possess strong analytical abilities and proficiency with essential e-commerce tools such as Jungle Scout, Keepachart, AZinsight, and Helium 10. I am looking for a challenging role to utilize my expertise in chat and call support, product sourcing, and administrative tasks to foster business growth and enhance a dynamic team.
